

# Why Shorr

## for Healthcare Cold Chain Solutions?

shorr | packaging corp.

### Full Service Packaging Distributor

Shorr Packaging is an industry-leading, award-winning distributor of packaging products, equipment, and services. We represent a wide-reaching network of best-known packaging product manufacturers and brands in the industry and are one of the largest independent packaging distributors in the nation.

### Why Shorr for Healthcare Cold Chain Solutions?

At Shorr, we understand that healthcare packaging is about much more than just transporting items to end users. Our healthcare packaging solutions are designed to meet your requirements: everything from contamination prevention to climate control to compliance with strict federal regulations.

Our Healthcare Cold Chain Solutions provide peace of mind and regulatory compliance for healthcare organizations, pharmaceutical companies, and research facilities. With a focus on monitoring, precise temperature control, and data analytics, our packaging experts will work with you to select the materials and design the solutions that meet your goals, protect your products, and innovate your packaging. Whether you're looking for eco-friendly materials or a value-priced product, we offer a full array of choices including kitting and co-packing solutions to save you time and space.

### Solutions for Healthcare Applications

**Biotechnology and Diagnostics:** Supports the integrity of critical biological samples and reagents

**Vaccine Distribution:** Facilitates the distribution of vaccines with confidence in maintaining efficacy

**Hospital and Laboratories:** Ensures the safety and accuracy of lab samples and reagents

**Blood Banks:** Safeguard the integrity of blood and plasma products

**Pharmaceuticals:** Ideal for pharmaceutical companies to store and transport vaccines, medications, and biologics at required temperatures

# Packaging Materials for Healthcare Cold Chain Solutions

## Insulated Packaging Systems, Shippers, and Mailers

- Flexible and rigid box liners
- Purpose-built for application
- Controls temperature
- Versatile for various applications
- Recyclable and biodegradable options
- Complete customization
- Collaboration on designs
- Complete coolers and shippers available

## Gel Packs and Ice Bricks

- Control temperatures
- Non-toxic and safe
- Reusable and durable
- Lead resistant designs
- Easy to use and long lasting
- Versatile applications
- Meet regulatory compliance
- Cost effective

## Temperature Indicators

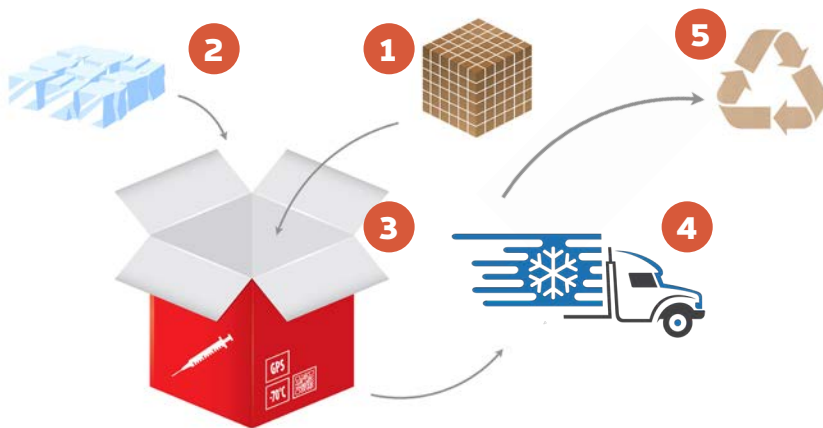

- Accurate and precise
- User friendly designs
- Real-time monitoring options
- Visual displays
- Ability to monitor range of temperatures
- Cost effective solutions

## Testing, Certifications, Warehousing, and Distributions

- These products provide multi-day performance and are independently ISTA-certified with laboratory testing.
- They are ideal for 3PL and Cold-Chain shipments with LTL freight trucking, rail, or overseas deliveries.
- Available in single or multi-trip reusable options

## Optimizing Healthcare Delivery: Shorr's Innovative Cold Chain Solutions

Shorr helps you preserve your products through temperature-controlled packaging and distribution.

- 1 Product Packaging**
- 2 Coolant Systems**
- 3 Insulated Products**
- 4 Co-Pack and Distribution**
- 5 Curbside Recyclable**

Our comprehensive programs, integrated solutions, and packaging experts will transform your packaging operation by holistically addressing all areas of packaging—from design through inventory and life-cycle management.
